TUITION FREE TRAINING

The California and Nevada Tribal Transportation Training and Technical Assistance Program (CA/NV TTAP) invites you to attend a **10-Hour Training Exclusively for the Roadway Construction Industry** for tribal transportation personnel, tribal administration, utility and public work crews.

This revolutionary program for owners, safety managers, supervisors, and workers is focused directly on the hazards and situations that roadway construction workers face everyday. From work zones to night work, this training sets the standard for the entire industry!

This course addresses 11 key construction work zone related safety and health topics:

- Understanding OSHA
- Roadway Work Zones (Temporary Traffic Control)
- Personal Protective Equipment and High Visibility Clothing
- Night Work
- Mechanized Equipment
- Collisions
- Electrical Safety
- Excavations and Trenching
- Occupational Health and Environmental Controls
- Fall Prevention & Protection
- Confined Spaces

OSHA 10-Hour Card from the OSHA Training Institute and a certificate from ARTBA upon completion of training.

There is no registration fee to attend this Training for California and Nevada Tribal Transportation personnel; however, please register early to ensure yourself a training slot.
