**Ted Quasula**, Law  
Enforcement Consultant,  
Quasula Inc.

**Mo Reyna**, Retired, U.S.  
Department of Homeland  
Security

## Facing the Challenges Posed by Methamphetamine

The “METH” Crisis is real and quite alarming in Indian Country. This training session is designed to deliver the most up to date intervention, treatment and sentencing information to tribal law enforcement, tribal courts, and tribal policymakers; the tribal councils. The training session will also explore prevention strategies and how to successfully implement those strategies. The trainers for this session are law enforcement professionals with sound reputations in administering justice in Indian country and conducting police practices that deal effectively with illicit drug manufacturing, trafficking and use. Both trainers are qualified to impart to you vital information for dealing with The “METH” Crisis.

---

In this training session, we will cover:

- History of Methamphetamine in the United States
- The Meth Abuser
- Chemical Makeup of Methamphetamine
- Manufacturing Processes
- New Trends in Meth Labs
- Basic Toxicology
- Chemical and Physical Hazards
- Safety Precaution For Entering Clandestine Laboratory
- Hazard Assessment & Abatement

---

All participants will receive a comprehensive training manual and certificate of achievement.

*This session will be limited to fifty (50) participants. To register, please complete and return the form on the next page.*
